

Q2: Which of these images of texts speaks to you the most, and what does it say to you?

OTT ON 2015 - 03 Q2 - Green.mp3

I also like the dancing one. I specifically like the... I don't know if it is a woman or a man but in the far left he or she has their arms raised. Psychologically speaking, when you are in such a powerful pose, you feel powerful, the person just looks like they are in that type of position so in such an array of images that speak to loneliness and sadness, that one right there is just really happy and encouraging and powerful.
